

Step 1:

The image shows a screenshot of the University of Central Florida (UCF) Environmental Health and Safety (EHS) website. The page features a yellow header with the UCF logo and navigation links. The main content area has a large yellow banner with the text "Stay Safe UCF" and a sub-header "We Encourage, Support and Promote a Culture of Safety and Environmental Stewardship". Below this is a photograph of a table covered with a black UCF-branded cloth, displaying various safety items including brochures, a water bottle, and two red fire extinguishers. Two yellow callout boxes are overlaid on the bottom left of the image: "SAFETY CONCERNS" and "EHSA LOGIN". A red arrow points from the "EHSA LOGIN" box to the right.
